

The restaurant, named for oak trees that shade its pastoral grounds, has been operating as a family-owned business for over 80 years. It all began as a speakeasy in 1928 during the prohibition era and made the transition from the small capacity of 60 seats to the current operation of 6 full dining rooms with a capacity of over 650 seats, accompanied by 3 bars and our seasonal patio. Twin Oaks is currently the largest independent operation in the State of Rhode Island.
